Scalability summary · 30 s limit

Right: shading relative to the largest count tested on that map (1000; random-32-32-20: 400; maze-32-32-4: 350). 1000+ = every tested count solved.

Instances solved (all agent counts)

	LaCAM*	LaCAM	PIBT	EECBS (w=1.2)	MAPF-LNS2	PBS
